

Postcard From Home

A favourite amongst the team at the RSN, the 'Postcard From Home' challenge always surprises and inspires us. For this theme, we ask you to stitch a scene from your favourite place and explain to your Sip & Stitch guests why it is so special to you.

Here are a few suggestions to get you started:

1. A favourite view from your bedroom or kitchen window.
2. Your home away from home. This could be somewhere you escape to on holiday or your grandparents' house, steeped in fond childhood memories.
3. A monument, famous building or person from your hometown.
4. A summer scene from your garden.
5. Your dream house, street or countryside location.

We would love to see your finished designs. Upload them to social media, tag @royalneedlework and use the hashtag #SipandStitch, so we can share all the wonderful things you create.
